CULTURAL CAPITAL

A 2 hour workshop designed for new and experienced practitioners
Trainer: Kelly Yates
£ 20 per person

This course will enable learners to understand the concept and explore how we can add to and enrich a child’s cultural capital.

Learning Outcomes:

◊ Understand the concept of cultural capital
◊ Explore ideas to ensure that EY providers can find out as much as possible about a child’s prior experiences
◊ Explore different ideas of how to enhance your environment equipping children with knowledge, understanding and skills needed for future success.
◊ Consider how you can strengthen children’s language development,
◊ Building confidence around talking about tailoring provision in response to children’s interests.
